

The Nine things the Lord is doing in the Earth

*The day after returning home from California last summer, the Lord woke me up at; 4 AM to meet with me. After getting my pad of paper and pen, I started to write down things about the ministry that I knew needed to be changed. I was busy writing a bunch of neat things down when the Holy Spirit spoke to me and asked me if I would like to know what He was doing in the Earth at this time. After responding; “I sure would!” and feeling a little sheepish, He had me pick up the pen again and write down these **nine things** that He was doing in the land, and instructed me to design the ministry around them for it would be pleasing to Him and He would bless it. So here are the nine things He spoke to me as he stood behind my shoulder making sure I had written them all down:*

The Lord is:

1. Uniting His Body
2. Restoring His Bride
3. Ministering to the lost
4. Caring for the least amongst us: *Widows, Orphans, Fatherless, Homeless, Poor, and Incarcerated.*
5. Warning the Nations to turn from their wicked ways
6. Restoring the church
7. Restoring worship
8. Restoring the order to the church: *re-establishing the offices in proper order. Rising up real Elders and Deacons.*
9. Rebuilding the Altar

Uniting His Body:

Because it is the season of restoration; the Body of Christ is being united by His Spirit in answer to His prayer referenced in John chapter 17. It is unification by His Spirit and “only” by the Holy Spirit that the true Body of Christ is being aligned at this pivotal moment in time. Across the nation and around the globe, specific and ordained forerunners are being gathered for a great move of unification. I have been witness to this personally now for over three years. This is also true with those who have an Anti-Christ spirit. (It is a kind of, “separating the sheep from the goats” thing). The forerunners and foundational messengers have been given specific revelations that are foundational to us becoming His Overcomers.

1. *The revelation of restoration*
2. *The revelation of the Overcomer/ Bride of Christ*
3. *The revelation of Kingdom assignment or placement within the Body/ Bride of Christ*
4. *The revelation of judgment and righteousness*

Restoring His Bride:

His Bride must be a virgin and have no other lovers but Him. The Lord is revealing idols and false gods to His Bride that she may renounce them and turn back to Him with all her heart. Seeking her lover fresh and new every morning and keeping her lamp filled both day and night. Reminding her of who she is and was created to be. Being reminded that all mankind was begot/birthing from the Father of Lights (James 1:17).

Ministering to the Lost:

It is the Lord's desire that none should perish. That is because He knows each of us intimately and affectionately regardless of our acceptance of Him. He is rising up prophetic evangelist in this hour to minister to the lost with powerful signs and wonders. He is giving those who are passionate for the lost strategic witnessing tools and insight on how to be available to those He is leading to His Son. Examples of His strategies include:

1. *Street prayer booths*
2. *Outdoor praise and banner worship*
3. *Open air preaching*
4. *Market place witnessing*
5. *Neighborhood prayer walks*
6. *Joshua city marches*
7. *Cross Walks with shofars*
8. *Outdoor worship gatherings in public places*

Witnessing to the lost is to be personal and touchable. People need to be touched and loved.

Caring for the least amongst us:

It has always been the Heart of the Father to care for those who are handicapped socially, physically, and spiritually. If we truly love the Father then we must love those sent in His image. As we do to the least of these we have done unto the Father. I am deeply impressed in my spirit that if we truly seek out the needs of others we will find that the Lord will quickly meet ours.

As soon as we learn the concept of giving up what we have in our hands to those in need, we find our hands now empty ready to receive something better from Abba Father. The Lord is rising up *multi-use facilities* in these last days to meet the needs of those who are struggling in this life. We are returning back to the days of the first church where everyone was distributed to as was needed. This wasn't a welfare system but an encouragement system.

Examples of a multi-use building would function somewhat like this:

1. *Ministry training center*
2. *Orphanage or youth center*
3. *Food Pantry*
4. *Shelter for the homeless*
5. *School for Children*
6. *Worship center*
7. *Vocational training center*

Warning the Nations:

The Lord has a team of messengers that He has loosed in the land to sound the shofar over territories and cities. They come with severe warnings of the Lord's judgment to come upon the land if these people refuse to change from their wicked ways. The church has for too long ignored the voice of God even in their own places of worship and these places will cease to exist if the people do not repent and get their homes in order.

As a shofar minister I have witnessed blessings and judgments poured out on the Body of Believers depending on their heart status. This ministry is very demanding and a hard road to travel. Yet the consequence to the Watchman who does not sound the shofar is far worse than the wicked caught up in their foolishness. The signs and wonders that follow these modern days Elijah's must strike a healthy fear of the Lord back in us all. The work of these minister's is to expose the enemy of our soul so that we may see Satan's work more clearly.

Restoring the church:

He is restoring the church back to relationship minded and not religious activity oriented glee clubs. His heart is against those ministries that have a clergy / laity organization (Nicolaitanes), this tradition and religious structure crept in during the early Roman Church Compromising Era.

It is the Lord's will that we all are to be His Ambassadors of Reconciliation and that we work side by side and hand in hand to take back this world from the enemy. Each of us has a viable and important role or part to play while we are here and it can only be accomplished if we learn to esteem others more than ourselves. Smaller groups lead to bigger corporate worship gatherings!

Restoring Worship:

The enemy of our soul used to be the head worshiper and knows well the power and force behind worship. True worship must be done in Truth and in Spirit. It defeats the enemy every time. It releases the heavens to join us in worship to our God. Corporate and individual worship provides us with a great joy that helps us to overcome the strongholds the enemy has skillfully intertwined in the fabric of our mindful being.

The Father is releasing a New Song in the land and it is being heard and repeated by many who have a heart and passion for worship. He also spoke to me, that each of us “is” a song unto Him and oh how He loves to “hear us” as we “live” for Him.

Restoring order to the church:

The Lord is bringing order to the church so she may start operating in her anointing and positions of assignment. He is establishing once again, the works and offices of the apostles, prophets, evangelist, pastors and teachers; encouraging every gift of service to operate at full capacity according to the grace given us by the Holy Spirit. The Lord has also made it very clear that the position of Eldership or Gatekeeper is apart of His plan to keep the enemy out of our cities and communities. The offices of intercessor and worship leaders have now a place again on the walls of our cities. We are to rebuild the old waste places and rise up many generations (Isaiah 58:12).

Restoring the Altar:

“Oh the threshing floor.” The Lord has been really on me to understand the things He wants from me during my time of fellowship. First; I must bless the Lord with all that is within me, this means the good, the bad, and the downright ugly. The hay, chaff, and stubble of my life is but kindling, to keep the refiners oven hot. My confessions of failings to him are as important an offering to Him as my tithe. If my heart is not clean what good is my tithe or love offering?

We have a lot of sin in our camps and the pulpit is in the area of where the Lord would like us to come up and lay ourselves down in the altar. The Lord is moving His pulpit out of the building to where it is needed; out on the streets the highways and byways. Until we re-open the altar again in our corporate settings, we may not see the healing manifestations needed to keep us engaged in His plan. We are going to have to learn to stand up in the heat of these next few years and it is going to take an act of trusting, obeying, and thanking Him often to get us through.

I'm sure you could add significantly more to this message and rightly so, since we are all in this together. Let us pray faithfully for these areas of ministry and ask the Lord were we are in His plan for the end times so we can assist each other more diligently, amen?
